

National Wetlands Inventory Products

1. Use this form to order National Wetlands Inventory (NWI) products available from the U.S. Geological Survey.

2. For paper or mylar film products, specify overlay or composite. Select the appropriate product code shown on the reverse side.

For digital data, complete the output specification section on the reverse side.

3. Identify each unit by the name and quadrant (NW, NE, SW, SE) of the 1:250,000-scale

map and by the quadrangle name and State name of the 1:24,000-scale map.

4. Refer to the price list on the reverse side to determine total costs.

5. A \$3.50 handling charge is applied per order mailed.

6. Payment (check, money order, Visa or MasterCard information, or Government account) must accompany order. Make

all drafts payable to Dept. of the Interior — **USGS.**

Customers outside the United States must send an international money order or check drawn on a U.S. bank in U.S. dollars.

7. Return this form and payment to any Earth Science Information Center. Call 1-800-USA MAPS for assistance.
